Dated this the 17th day of October 2007

ORDER

This revision petition is preferred against the order in E.P.No.156/1999 in LAR No.127/1996 of the Principal Sub Court, Kottayam whereby the court fixed the balance amount at Rs.36,597/-. It is a one line order and it does not show how the court had arrived at that figure. According to the Government, it is done only on the basis of the statement of the decree holder and all matters have not been taken into consideration for fixing the amount. Since it is not a considered order, interference is necessary and therefore I set aside the order. The Government as well as the decree holder may file statements showing the amount which according to them is payable and the court after hearing them may fix the amount and pass an order accordingly.

Therefore the order under challenge is set aside and the matter is remitted back to the Principal Sub Court, Kottayam. The parties are

directed to appear before that court on 26.11.2007.

C.R.P. is disposed of as above.
